## County Will Cast Vote Tuesday To Select Five School Board Members; Polls Open 7 a. m. - 6 p. m.

Hancock County voters will go to the polls Tuesday to select members of the new county school board.

This is the first time the members have been selected by popular vote. For that reason, interest in the election quickened this week.

Candidates are:

Beat One—Mrs. Louis Bristow, August Holden.

Beat Two—Dolph Keller.

Beat Three—Ray Koenen, Lucie O. Necaise, Joseph Cuevas, Weldon S. Shaw, A. D. Ladner.

Beat Four—Albert Necaise, E. C. Weston, Carson Lee.

Beat Five—Mrs. C. C. McDonnell, Gordon Courree, Sr.

One member will be elected from each beat. The members will receive \$5 a meeting, and are permitted to meet 60 days a year. They also receive six cents per mile for any traveling they do in connection with the job.

The board will direct the hiring of principals and teachers, in addition to guiding general policy of the schools. They are under \$10,000 bond.

A technicality is costing the county \$36 in beat two. Only one man, Dolph Keller, is running. However, Attorney Robert Genin, representing the election commissioners, asked the state attorney general for a ruling on whether the election must be held anyway.

In view of the possibility of a writ in vote, the attorney general replied the election must be held. It costs the county \$12 per box to run an election and hence there is a \$36 expense in beat two.

There will be no second primary in this election. The high man in each beat will win, even if he leads by only a single vote.

Election Commissioners, Genin, Dan M. Russell, Jr., and Oren Seal pointed out that voters will cast their ballots at their home precincts, as in the case of any county election. Votes will be counted Tuesday night. The polls are open from 7 a. m. to 6 p. m.

The voting boxes:

Beat One—Ansley, Pearlton, Logtown, Napoleon, Gainesville, Beat Two—Aaron Academy, Flatop.

Beat Three—Crane Creek, Standard, Dedeaux.

Beat Four—Caesar, Catahoula, Kiln, Rocky Hill, Fenton.

Beat Five—Lakeshore, Clermont, North Bay, Central School, Court House, City Hall, South Bay.

The commissions announced the list of managers and peace and returning officers for the election.

It is:

DISTRICT 1—Ansley: Mrs. Ed Ladner, Mrs. Henry Schwartz, Mrs. Clarence Green; Clarence Green, P. & R. O.

Logtown—Mrs. Paul Barber, Dr. C. W. Fountain, Mrs. Lamar Otis, Mark Wilkerson P&RO.

Pearlington—Charles Russ, Mrs. Dora Earnest Davis, Mr. T. C. Williams, Stanley Yarbrough, P&RO.

Napoleon—Col. Aubrey Wheeler, Earl Holden, Mrs. Martha Landrum, Rarford Murphy, P&RO.

## Sportsworld

By GREGORY FAVRE

Wednesday night your correspondent was able to sit at ringside to view the television encounter between the dancing school boy Ralph Dupas and the Bronx Irishman Dennis Pat Brady.

When I arrived the first words to reach my ears were the complaints of Allen Lacombe, one of the co-promoters for the Pelican Boxing Club. He explained, "The last television fight we had down here gave us \$9,000 and did not blackout the area. We made \$7,200 on the fight. This time they only give us \$4,000 and do not blackout the area and we won't draw 50 customers in the balcony. I believe I'll do like everyone else and go home and watch it on television."

The semi-final bout ended and the main event contestants walked into the ring. Announcer Duke Durel apologized to the audience for the delay due to the time of the television program. While waiting he gave a commercial for Pabst's Blue Ribbon. Then he was given his cue to begin. With this he put on his best smile for his national audience and proceeded very dramatically to introduce the fighters.

The bell rang for the first round and the rest is boxing history. The 18-year old Dupas gave Brady, 8 years his elder, a boxing lesson.

The arena customers were divided in their choice, with the majority pulling for the home-town boy. But the Brady supporters were loyal. Even in the last rounds, when it was evident that the only way he could win was by a knockout, you could still hear chorus of, "Come on, Dupas, let him go. . . don't dance him around. Every time Brady hits you, you have to grab on to him." These diehards must have had visions of that easy money they expected by taking Brady as a 3-1 underdog, slipping out of their hands.

Since I was located in Dupas' corner I could hear his manager, Whitey Esneault, shouting when the two fighters were in close, "Uppedeut him Ralph. Uppedeut him."

When the fight ended and the decision was announced, Dupas threw kisses toward the television cameras and began to take a series of pictures for the newspapers, while Brady walked silently to his dressing room.

In Brady's dressing room he was sprawled out in a chair. He displayed five cuts over his eyes and a very tired look. He said, "The heat bothered me. I was tired in the first round and after that every time I would throw a punch it was like I was in a dream. I threw it and there was nothing behind it."

"Dupas is very good. He needs a little experience. I think if he fought Zuleta he may cop the decision. It would be a good fight even though it might stink out the house, since they have the same style. I thought I beat Zuleta easy in our fight this year but they gave him the duke." He explained "In the first round when the referee warned me for throwing Dupas all I was trying to do was get away from him."

His manager complained about the way Pete Giaruso was breaking the boys out of clinches. He said, "The referee would hit my boy in the neck to break them and choke him up."

"I don't mind losing but I sure hate to make a bad fight out of it," said Dennis Pat.

In the winner's room a very happy boy showed a big smile. "I feel great about winning, especially winning on television," Dupas said.

"Brady is the toughest boy I have ever fought. He keeps coming at you and he gave me a lot of trouble on the inside."

"I don't think the decision was close enough to give him a return match. If it had been I would," the fighting youngster added.

"I don't have any plans right now. All I have to worry about tonight is going to school tomorrow." Dupas attends Warren Easton High School.

He said, "I wanted to put up a good fight. That way if you win or lose you can fight again."

### Six Errors

### Cost Stanislaus

### McGill Game

The box score read two hits and four runs for McGill in a game with St. Stanislaus Saturday. It also read six errors for Stanislaus and these cost the Rockchaws the game. The final score was 4-2.

With a two run lead going into the fifth inning the Stanislaus infield blew up and, without any hits, McGill scored its runs. Neither of the hits that pitcher Larry Mathes gave up drove in a run; all were unearned.

Stanislaus had a total of five hits but could only get two men across the plate. Ernesto Aldaya led in this department with two singles for the day.

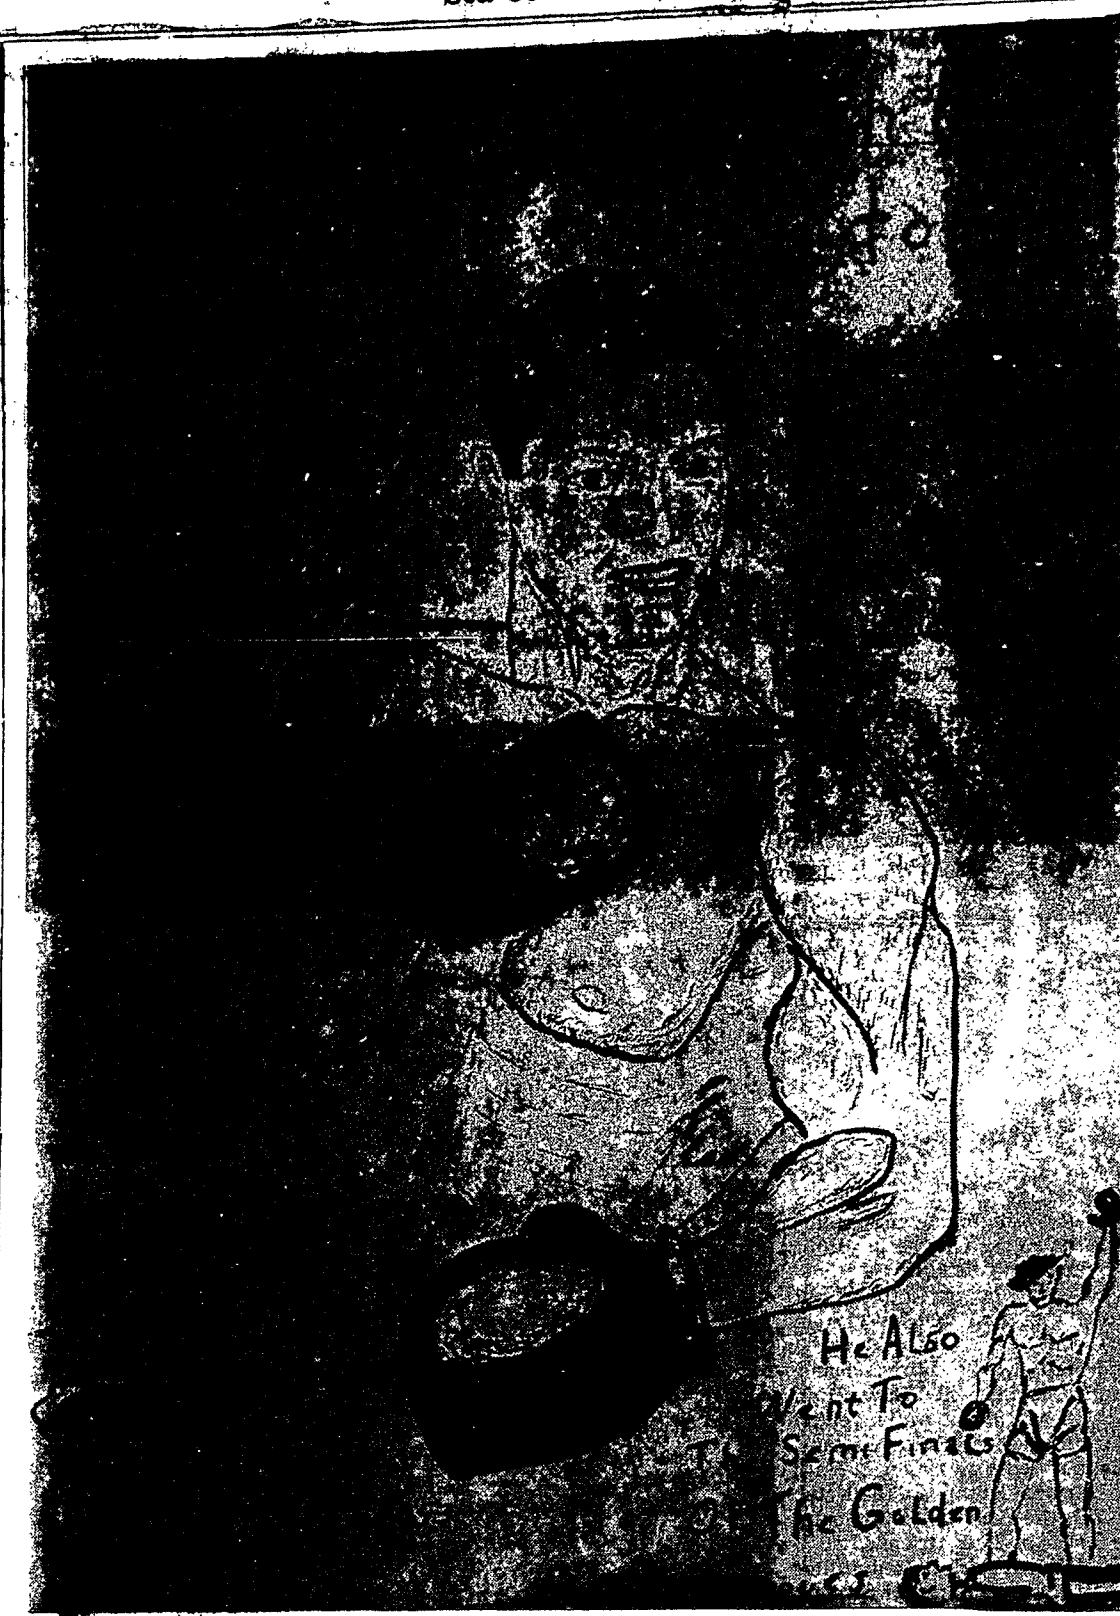

In its last encounter with McGill Stanislaus allowed three home runs to the power hitting left handers for the Mobile team. Saturday Coach Helm put his team into a Boudreau shift for these boys. He placed his right fielder on the foul line, moved the centerfielder into right field and played the left fielder in center.

The infield moved into the shift also, with the first baseman play-

ing on the line, the second baseman was moved over and the shortstop moved behind second base with the third baseman filling in his position. This proved very successful.

Mathes pitched for the losers until the sixth inning when he was relieved by Billy Scarborough, who finished the seven inning game.

Errors have cost Stanislaus a couple of games this year and will continue to do so until the infield gets more experience.

### Golf Tourney

Miss Maude Frye shot a 39 in the 9-hole finals of the tournament at the Pass Christian Isles Golf Course Tuesday to take first place honors.

Her opponent Mrs. O. D. Hickey shot a 43 for runnerup. This tournament was a match

play but the finals were medal play. It has been held for the past three Tuesdays under the supervision of Alex Cunningham, pro of the club.

Officials of the course announced this week that they are urging all the men to turn in their score cards so they will be able to set handicaps and hold a men's tournament in the near future.

Miss Ann Liversedge won the putting contest Tuesday.

The bulldozer removing stumps at the Pass Christian Isles Golf Course is doing a swell job—making the fairways much wider and the roughs lots easier. Touring the course lately are newcomers Arthur Chapman, Coach Farley Day, Jos Scharff, Bernard Farrelly, Billy Matthews, Bouie Blanchard, John Scaffidi, Doc Griffin and Mrs. Griffin.

The Pine Hills veteran golfer C. C. McDonald, Sr., is rounding into shape rapidly after a long lay off and will be hard to handle from now on.

A square dance is on tap for this Saturday for members of the P.-C. I. Golf Club—a good time can be expected by all attending.

You fishermen going to the Keys in speed hulls, etc., had better be a little more cautious—go prepared—carry life safters and extra motor—it gets rough out there. Only this week two of our anglers got back by riding the incoming tide when their motor balked. Ask those who know!

REAL SPORT—Those leaving this week in a special chartered coach over the L. & N for the Kentucky Derby were Mr. and Mrs. Lucien M. Gex, Mr. and Mrs. Ed Brignac and a large party of friends. They will have a wonderful time for sure. Yours truly had the pleasure of a life time two years ago when attending the most outstanding and colorful event in the racing history. For us its Correlation all the way!

Although the Dupas-Brady fight was shown on TV by "What'll You Have?" many local fight fans made the trip over Wednesday night. It's best to form your

### BURKE LEADS ST IN QUADRANGULAR

A. J. Burke again distinguished himself as the outstanding trackman a St. Stanislaus as he led the local team to victory in the quadrangular meet held at the Rockchaw field Monday.

He scored a total of 13 points, winning the 120 yard high hurdles and broad jump and finishing third in the discus throw. Stanislaus accumulated 41 points to take first place. It was followed by St. Paul's of Covington with 34 points, Bay High with 27 and Gulfport 24.

St. Paul's won its district meet last week in Louisiana. Last Wednesday the Stanislaus trackmen placed seventh in the Mississippi Southern Relays, scoring 10 points.

Burke, who previously held the own opinion of the fight—for me it wasn't too hot!

Miss Maude Frye made a good job of capturing the ladies tournament at P.-C.-I. Golf Course Tuesday. More tournaments are in the making for the fairer sex.

## Statement of Candidacy

A few weeks ago I qualified as a candidate from Beat V for the new County School Board as outlined in the legislation recently passed by the State Legislature. The papers carried an announcement to this effect but because I am not known personally to all the voters, many friends have asked that I make some statement of my background and record.

I am a native of Murfreesboro, Tenn., and our family moved to Nashville when I was ten. After completing my elementary education in the public schools, I graduated at Ward-Belmont College and Vanderbilt University. My husband and I have four sons who are all graduates of the public schools of Hancock County and Mississippi State College. Three served in Army or Navy during World War II and the fourth is now in his third year with the Air Force, having completed overseas duty in Korea and Japan.

From the time the boys entered school, I have taken an active interest in school affairs and served in the Parent-Teacher Association as president, State Treasurer, State President and on the National Board for five years as Chairman of International Relations.

The policy of this organization is an active interest in good government, individual civic responsibility but not any partisan activity. I have not taken any active part in politics and when asked several years ago to serve with the State Welfare Board, which I did for eight years, I was considered interested in humanitarian and civic causes but not in partisan politics.

After attending numerous educational meetings in other states as well as Mississippi and the White House Conference on Children in 1950, we organized the Council on Children and Youth for Hancock County and I have served as Chairman for the past three years. My interests have always been in the measures which would benefit the greatest number of children.

Citizens of the state have worked consistently for the last several years to bring about some major improvements in our whole educational system. It is a big task and needs the cooperation and interest of all the citizens. Exercise your privilege on Tuesday, May 4, by going to the polls to elect this County School Board.

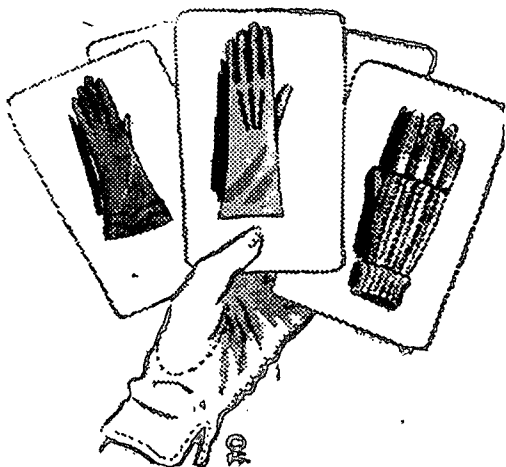

MRS. C. C. McDONALD.

## COASTING

By ANNE ORLEANS

Last week end was not long enough for Dr. and Mrs. Roy Turner. Their weekly visit to their home on Citizen Street was a treat, but Sunday was spent with friends over in Covington, La. Monday morning, back to Tulane University and a busy week.

Mr. and Mrs. Edgar Lacouture came all the way down from Cape Cod, Mass., for a ten-day visit with Betty Lacouture and their four grandchildren, Joan, John, Susan and Richard. Com. John Lacouture, USN, whose ship was in a Japanese port, is now off the coast of Australia.

A sweet picture in one of the New Orleans Sunday papers of some of our frequent junior visitors. Catherine Claiborne and Martin Duralde Claiborne, III, grand children of Yvonne and Duralde Claiborne and great niece and greatnephew of Mrs. Louis Perillat, are shown with her in the patio of her home on Esplanade Avenue. Leigh Perillat, daughter of Mr. and Mrs. Howard Perillat was also in the picture, beautifully dressed and assisting her grandmother as hostess for the Spring Fiesta Tour.

of the old homes in the French Quarter.

How would you like to be a very busy doctor and get a notice that the building in which you had had your office for at least 20 years had been sold and would you please move out? That is what happened to Dr. E. A. Socola. No other office space was available in the Hotel Dieu neighborhood. Finally, he found an office near the Baptist Hospital but it was available only because it was available because a young doctor was being called into service. He signed the lease last week and got a good night's sleep for the first time in two months.

With the Southern Medical Association meeting in New Orleans soon both Dr. and Mrs. Socola will be very busy. Dr. will have plenty of work to do in the pediatric section and Mrs. Socola as president of the Women's Medical Auxiliary is more than busy trying to get reports from committee chairman and helping with some of the many details that mean hospitality in New Orleans.

The little cottage that used to be a barber shop had been mighty lonesome since before Christmas. The pear tree and the plum tree bloomed and no one was there to enjoy them. The azaleas were gorgeous and no one

picked a blossom. The roses bloomed and no one enjoyed the sweet fragrance. Finally the oleanders and the Confederate jasmine decided they were going to do something about it. Sure 'nough! Last week Miss Champagne and Miss Carey who had been held in New Orleans by work and illness finally drove over to Waveland on Sunday and brought three friends to enjoy the beautiful Spring weather. Oh, me! Oh, my! What happened? They had not been over in so long, they forgot to bring the key to the cottage. Locked out. They just took their friends and their picnic lunch over to Mrs. Strumms and spent the day there. The little cottage still feels neglected.

Some people are quite sure that bankers do not work and are always quoting the old and fallacious gag about "Bankers' Holiday."

Francis Doyle, of the N. B. C., is one of the busiest bankers in New Orleans and also does a great deal of fine work with several organizations. When he and Mrs. Doyle get over to their charming little cottage in Waveland does he relax in a hammock or go fishing? Not Francis. If he is not cutting grass, he is pruning shrubs or painting or something just so it is real work.

Dr. and Mrs. Ralph Ross of New Orleans, and their children, were at the family cottage last week. Crabbing, blackberrying and barbecuing kept every Ross busy.

Dean James Robert, formerly of Tulane University, and Mrs. Robert, have just returned from a six weeks' trip to the Carolinas where they visited friends, and Lakeland, Florida, where they visited their son, Bill Robert and his family. The past week end, their son, Kearny Robert and his family were over from New Orleans and the delicious Sunday dinner was topped by fresh blackberry pie and ice cream.

Other guests enjoying the Roberts' blackberries and ice cream were Mr. and Mrs. V. A. Leveau, good friends of the Roberts. Mr. and Mrs. Leveau left on Wednesday for the Kentucky Derby. In same specially chartered coach were Mr. and Mrs. L. M. Gex, Mr. and Mrs. Brignac, Mr. and Mrs. Crump, Mr. and Mrs. Billups and several other friends. While in Louisville, they will still have the use of the sleeping car thus very nicely solving the hotel problem.

Mrs. Max Kohler entertained at a luncheon and canasta party for a few friends this past week-end.

Mr. and Mrs. Joseph H. Benvenuti have moved to their new home on Burnett St.

GIVE TO THE CANCER DRIVE—Asks Mrs. Wilmer Thibaux, chairman of the drive in Hancock County. The quota fell short last year.

## How Can I !!

By ANNE ASHLEY

Q. How can I clean white kid gloves?

A. Try using a mixture of a little oilmeal and benzine formed into paste; rub it on the gloves till it is quite dry. DO NOT USE NEAR FIRE. It is said that pure alcohol is better than anything for cleaning white kid gloves, as it dries quickly without any unpleasant odor.

Q. How can I lubricate the vacuum cleaner?

A. A light grade of automobile engine oil is an excellent lubricant for the vacuum cleaner.

Q. How can I remove water spots from varnished wood, such as on table or furniture?

A. Rub the spots with a cloth, wet with camphor oil.

Q. How can I soften butter without causing it to lose flavor?

A. If the butter is too hard after removing from the refrigerator, let it stand for a few hours in the warm kitchen before spreading on bread for sandwiches. The flavor will not be impaired as when melted over a fire, and it will be easy to handle.

Q. How can I remove stains from a mattress?

A. Apply a thick paste of starch and water. Place in the sun, and when dry, rub off the paste. Repeat this process if necessary.

Q. How can I prevent a steamed finish when drying glassware?

A. After drying and polishing articles of glassware, do not turn them upside down. This is likely to steam them and spoil the polish.

Q. How can I clean the kitchen linoleum when in a hurry and there is no time to scrub it?

A. Slip an old stocking over the broom and sweep the floor. It will be a surprise to see the amount of oil and dust the stocking will collect.

Governor Theo. Bilbo and Lt. Gov. Bidwell Adam have been named as the principal speakers at the dedication ceremonies of the seawall and road.

The result of a traffic count on the Bay bridge showed that 1,067 vehicles drove over the two-mile bridge in one day and night.

Our lady of the Gulf cleared over \$1,000 at the annual festival held on the St. Stanislaus grounds.

ing will collect.

Q. How can I retain the luster of silver?

A. After washing the silver things in boiling water and it will retain its polish for a longer time.

Q. How can I keep potatoes white?

A. If it is desired that the potatoes keep white, let them stand in cold water for about a half-hour before peeling.

Q. How can I keep the dishcloth sweet and clean?

A. Most women are very particular about clean towels but sometimes forget the dishcloth, which really needs more attention than the towels. Wash the dishcloth after each meal and dry thoroughly before using again.

### County Agent

#### Notes

by HOWARD SIMMONS

**HOGS**  
Mississippi hog producers are advised not to wean pigs too early. Weaning at eight weeks of age is still the best system for most farms.

Some experiment stations have weaned pigs at two or three days, but this is not practical under farm conditions - this system is for experts only.

Some advocate weaning at five weeks. This can be done, but it requires usually good feeding methods and disease control measures.

Better stick to the eight week method because really there is no substitute for the brood sow. Help the sow along during the weaning period by giving her a balanced ration and creep feeding her litter.

#### DAIRY

Accurate breeding records are extremely important to dairymen. They may hold the key to so called infertility problems.

These records should be kept on each individual cow on the farm. A good set of breeding records will show breeding and calving dates, heat periods, abortion, different calvings, retained afterbirth, abnormal discharge and the incidence of any disease at all.

Here is an easy way to record breeding information. Keep a big chart handy on the wall of the barn. List each cow on it and have a pencil in easy reach so that when something happens, you can jot it down.

These records will help you in culling out cows that eat costly feed all year but not drop a calf every year. They will also provide valuable information for

the veterinarian who is called to the farm to diagnose and treat reproductive ailments.

#### ANTS

Are those mound building imported fire ants fouling up your pasture with their mounds? Are they in your home, garden, or truck crop patch? You can do something about it if they are. Don't just look at the mounds and wish the ants would go away. Chances are they won't.

Go see your local county agent. He has a leaflet giving specific control recommendations for these ants. It is Extension Publication 249, entitled "Imported Ant Control."

#### POULTRY

Item to the poultryman, is even there is no substitute for management if you are going to be successful in egg production, broiler production or any other phase of the poultry industry.

With hot weather coming on, one of the top management details for poultrymen is to provide plenty ventilation. It is extremely important. Houses should be open from plate to plate in hot weather. Water, always an important item to the poultryman, is even more important in summertime. Chickens need plenty of fresh, cool water.

Cleanliness and sanitation in the poultry houses must be maintained if you are going to make the maximum amount of profit from your flock.

#### SAFETY

If you have to drive your tractor out on highways and other public roads after dark, make sure that you can be seen. Equip that tractor with both front and rear lights. A couple of red reflectors on the rear will also help.

### Silver Tea

#### For Hospital

May 12th.

Hospital Day in Bay St. Louis will take place on May 12th. A silver tea to raise funds for hospital equipment will be given at the tea. It was announced this week.

At a meeting of the Daughters hospital board, April 19th, it was decided to receive at the tea will be a new operating an ambulance and for a spotlight in the emergency room.

Mrs. John Griffin and Mrs. George Lehleitter will be in charge of arrangements for the tea. Mrs. George Wolfe will decorate the hospital and where members of the staff will serve on tea committees.

The next Sorority formal, which is the Spring Festival, previously planned for May 7th has been changed to May 21, due to conflicting dates already scheduled.

At the Athletic Banquet Thursday, a week ago, the following girls were presented the various awards. Trophies were awarded to the five seniors, who have played four years of basketball for the Gold Jays, the seniors were: Mug Blanchard, Barbara Flink, Roberta Bernond, forwards, Carolyn Curet and Delores Olavarietta. Letters were given to Jeanette Monti, Kinta Kergison, Janet Genin and Patty Olavarietta, all regular varsity players. Silver basketballs with a red jay were merited by junior players, Doodie Scafield and Dianne Seuzeneaux. Substitute varsity players—Laurie Curet, Christy Del Carmen, Jane Favre, Helen Genin and Julie Blanchard were awarded gold basketballs. Di Blanchard received a silver basketball. Junior team players Gaydell Cue, Carolyn Ladner, Connie Rupert, Jean Fitzpatrick, Mary Frances Ladner and Ann Hewes received pennants. Special awards were presented to Pam Crasto, team manager, a Gold Jay pennant, Mrs. Nelius Rhodes, a Gold Jay pin with "coach inscribed on it, Sr. Jean, a Sunday Missel and to the cheerleaders a silver megaphone.

The second party for the St. Joseph seniors was given by Marie Therese and Vicky Del Carmen and Lucy Ortega. The party was Thursday at the home of the Del Carmens. It was featured as a Spanish Supper.

Home from college last week-end were Buck Parker, Jim Monney, David Treutler, Ed Sullivan, Donald Levy and John Weston, Tulane. Miss. Southern students were Bill McDonald and Bobby Clapp. Home from P. R. C. were Leonard Benvenutti, Roland Soldini, and Billy Clapp. Ole Miss students were Paul Loup and Moses Garcia.

"It's all over but the memories" sighed the girls of St. Joseph Academy as they reluctantly left the beautifully decorated gym last Saturday night—the night of the Junior-Senior prom. The gym decorated to carry out the theme "In-

dian Love Call" was the climax to the four years of the girls known as the Senior Indians.

The different bleachers were decorated to represent the different Indian tribes of the North, South, East and West. The stage was completely covered with green grass, trees, and mountains. On top of the tallest mountain was a beautiful Indian maiden and at the foot of the mountain was her handsome Indian brave.

Indian Love Call was spelled out at the foot of the stage in blue letters, sprinkled with silver glitter. On one side of the gym was a magnificent waterfall represented by glittered angel hair and reflecting lights. In the middle of the dance floor was a typical Indian bonfire. Overlooking the dance floor from the balcony was a large drawing of "Our Lady of Guadalupe" as she appeared to the Indian brave, Waun. At the entrance of the gym was an Indian Temple through which the girls and their dates entered the gym.

Entertainment was provided by the sophomores. The girls served the refreshments which consisted of soft drinks, cookies and cakes, and did an Indian war-dance. The servers were attired in gaily colored Indian outfits. The junior class and home-room teacher wishes to express their sincerest thanks to all those who helped and did so much to make this prom one of the memorable events in the lives of all who attended.

Seen at a swimming party given by the Bay High seniors out at Cue's swimming pool last Friday night were Billy Burrow, Darling Normand, Clare Corr, Ronnie and Donnie Landers, June Breat, Donald Cole, Connie Ripple, Kent Sollier, Leroy Noto, Leroy Blackman, Jerry Wheat, Frank Wheat, Barbara Carver, John Peterson, Lee Klein, J. **PASS NEWS**

Mrs. William Kalif was elected president of the Pass Christian P.T.A. for 1954-55 at the organization's monthly meeting Thursday.

In 1947 Mrs. Kalif served as vice-president and was president for the following two years. She has also been finance committee chairman, program committee chairman, and for four years chairman of the Halloween carnival.

Other officers elected were Mrs. John Latino, vice-president; Mrs. David Walworth, secretary; and Mrs. George McDonald, treasurer. All of the officers-elect have been very active in the organization.

Mrs. Roy Moffitt, present president, announced that there would be a repeat performance of the style show at a silver tea to be given for the benefit of the Humane Society at the home of Mrs. H. L. Swift.

A report on the State P.T.A. convention, held in Jackson, April 6 and 7, was given by Mrs. Grady Mangum.

Miss Naomi Saucier, principal announced the pet show date of May 6. Committee chairmen appointed to assist in this event are Mrs. William Kalif, punch; Mrs. Haywood Hillyer, cookies; Mrs. George McDonald, flowers; Mrs. Warren Adams, dolls; and Mrs. Audley Taylor, pets.

The organization voted to put venetian blinds in the science room of the high school and to complete the lawn on the elementary school side. It was also voted to make a donation to the teen-age canteen.

The attendance banner was won by the sixth grade and Miss Adele Bielenberg was awarded the door prize.

The Pass Christian High School Alumni honored the members of the senior class of 1954 with a banquet on Wednesday night, April 21st, at Gulf Palms Restaurant, with over one hundred enjoying this special occasion.

Dr. C. D. Taylor, Jr., acted as Master of Ceremonies, and the program opened with the singing of "Alma Mater" by the group, followed by the invocation by Mrs. Elena Fitzpatrick. In the absence of the president, Mr. Herbert C. Hansen, the welcome address was given by Mrs. Dora Lee Walworth, vice-president, and the response by Dan Verbois, class president, who introduced the seniors: Miss Mary Moffitt, Betty Jo Peralta, Mary Beth Dubuisson, Shirley Dubuisson, Christine Hart, Carolyn Ladner, Marjorie Lively,

Catherine Webb; Jane Bell, and Messrs. Dan Verbois, Gordon Parkey, John Fernlich, Berry Scott, Bruce Stewart, Chelley Carter, Gerald Winstead, Edwin Necaise, Elvin Necaise, Charles Mangum, Monroe Kimball and Robert Duwas unable to attend.

The tables were arranged banquet style and were lavishly decorated with spring flowers, place cards, and favors of shell ash trays for the seniors.

Mr. J. J. Hayden, Jr., president of Perkinston Junior College, and Mrs. Hayden, his wife, alumni members, supplied the program for the entertainment of the guests and introduced the following of the Perkinston Junior College personnel and student body: Mr. Sam Jones, Band Director, Eugene Clements, Voice Instructor and Choir Director; Dick Lindemeyer, who rendered selections on the marimba during the meal, Mr. Carol Moore, pianist, who gave Chopin's "Polonaise" and "Star Dust," and several members of the choir, Jimmie Taylor, Conrad Bowman, Sue Brumfield, Catherine Floore, Norman Riley, Louie George and Eleanor Raser, who gave several selections.

Wayne Walley of Brookline, Miss., student at Perkinston, then gave an address on "Communism—A threat To Our National Security."

A short business session followed the program, and the following officers were elected: Mrs. Dora Lee Walworth, president, Mr. Donald DeMetz, vice-president, Mrs. Louise Begue, Secretary and Miss Mary Greco, treasurer.

Almost every class was represented, the first class of 1909 being represented by Mr. W. F. Adams, Sr., and a telegram read from Mrs. Louise Patenotte Curtis, of Biloxi, Miss., as well as a letter from Mrs. Monica Dempf Ward, Louisville, Ky., of that class.

This alumni enjoys the distinction of being one of the most active high school alumni in the State, taking part in all the school activities and honoring the seniors each year.

A fitting closing of this memorable affair was the singing of "Auld Lang Syne" by the entire group.

The twentieth annual Pet Show will be held on the Pass Christian High School lawn, Thursday, May 6, 1954 at 2:30 p. m.

Pets, dolls, flowers and decorations will be exhibited. The exhibits must be entered by 1:00 p. m.

Judging will begin at this time. Ribbons will be given for first, second and third places.

Cookies and punch will be sold. A small donation will be given. This show is sponsored each year by the faculty of the Elementary Department.

**Stanislaus Is Shut-Out By Biloxi 6 - 0**

The only thing that showed well for Stanislaus against Biloxi in its second loss of the week was the pitching of Billy Scarborough for one and a third innings.

The Rockchaws lost, 6-0, with E. B. Powers receiving credit for the defeat. Scarborough relieved Powers in the sixth inning and faced five men. He struck out four and the other grounded out to the shortstop.

Stanislaus could not bounce their hits to get a run across the plate.

### Support Dr. Byrne

A group of registered voters of Beat 3, Harrison County, are supporting the candidacy of DR. GEORGE W. BYRNE FOR MEMBER OF THE COUNTY BOARD OF EDUCATION for these reasons:

1. He will study and administer the new state school laws fairly and intelligently because he is independent of political obligations to any other county officer.

2. He is experienced in practical economy and will not impose added taxes by issuing school bonds without knowing and publicly stating the exact need for such bonds.

3. He will reduce waste and use the schools we now have to the best advantage before proposing or starting new projects.

4. He will strive for education for the benefit of more pupils and not for the purpose of getting votes.

5. He will aim to make all parents proud of the training their children receive at every Harrison County school.

We ask all voters who want that kind of representation on the NEW and HIGHLY RESPONSIBLE SCHOOL BOARD to vote for Dr. George W. Byrne on May fourth and to urge their friends and neighbors to do likewise.

Dr. Byrne is 33 years of age, and lives at 600 East Second St., Pass Christian. As a practicing physician and surgeon he has the respect and confidence of hundreds of Beat Three families. He is married and the father of four children. He is active in the Pass Christian Rotary Club, St. Paul's Church, K. of C., and Coast Counties Medical Association.

He entered this campaign only after the request of nearly 100 registered voters asking him to represent them on the new County Board of Education.
